Global Axis Co L.L.C

Grade 1 Omani Signage Company

G-AXIS Oman, a well-known Grade 1 Omani manufacturing company, established in 2008, having associate offices/principals in 9 countries around the world. Our head office in Oman is backed with a full fledge and versatile infrastructure laid down on 10,000m² land in Ghala Industrial Area. Equipped with state-of-the-art tools & machineries, experienced engineers and skilled workforce in each of the divisions, G-AXIS has been able to penetrate into special engineering projects that involve challenges, creativity, special tasks and skilled workmanship.

Retail Signage

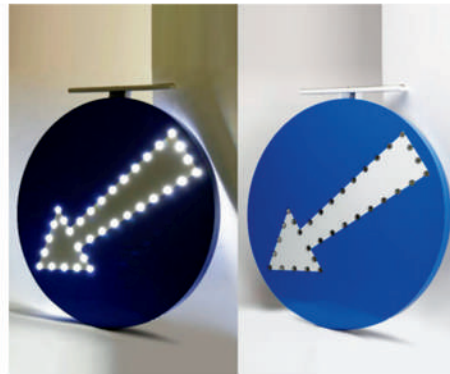

Our wide range of products includes different kinds of signages (outdoor, indoor), billboards, custom graphics and specialties in road signs, safety signs, pipeline markers, safety guard-rails, overhead highway gantries and cantilevers. We have been providing our services to many local and multinational companies and have managed to earn customer loyalties. This is evident from the expansion of our clientele with the passage of every single day.
