شركة محور الأرض ش.م.م  
**Global Axis Co L.L.C**  
[www.gaxisintl.com](http://www.gaxisintl.com)

حضرة صاحب الجلالة  
السلطان هيثم بن طارق المعظم  
حفظه الله ورعاه

المغفور له بإذن الله تعالى  
السلطان قابوس بن سعيد  
طيب الله ثراه

من النطق السامي

"إن الأمانة الملقاة على عاتقنا عظيمة، والمسؤوليات جسيمة،  
فينبغي لنا جميعاً أن نعمل من أجل رفعة هذا البلد وإعلاء شأنه"

**هيثم بن طارق**

سلطان عمان - 11 يناير 2020

## مقدمة الشركة

محور الأرض شركة عمانية متخصصة في صناعة مصابيح الإنارة (ال اي دي ) وحلول الطاقة الشمسية واللافتات وتصنيع الحديد والصلب و الزراعة .  
مقرنا الرئيسي في مسقط ويمتد على مساحة ١٠٠٠ متر مربع ويحتوي على جميع التجهيزات والتقنيات الحديثة بالإضافة الى فريق من المهندسين المختصين ذوي الخبرة مع قوى عاملة ماهرة في الأقسام المتنوعة. وبالتالي، تتوفر لدينا قاعدة قوية لتقديم منتجات وخدمات استثنائية في جميع اقسام الشركة .  
يقوم مهندسوننا بتصميم ، تجميع ، تشغيل ، اختبار وتقديم الضمانات محليا. نحن نفتخر بقدرتنا على تعظيم الاستفادة من الطول المستدامة.  
تصدر محور الارض منتجاتها الى العديد من مجلس التعاون الخليجي، آسيا، إفريقيا وغيرها.  
التعاون مع شركائنا على مستوى العالم يتيح لنا الفرصة للحصول على رؤية مستمرة للتغيرات في قطاعات الاعمال والتطوير. هذا يعطينا القدرة على مواكبة اتجاهات السوق المتطورة في كل القطاعات ويساعدنا في تجاوز العقبات ، من تعقيدات التصميم الى الهندسة التقنية.

# G-AXIS

## Introduction

**Global Axis**, an Omani-based entity holding a diversified business portfolio such as: LED Light manufacturing, Solar Energy Solutions, Agriculture, Steel Fabrication and Signages.

Our headquarters in the heart of the city consists of 10,000 square meters of land, modern machinery, experienced engineers, and skilled workforce. This collectively forms a strong platform to deliver exceptional products and services in each of our divisions.

While offering turnkey solutions, our engineers design, assemble, commission, test and provide local warranty support. We take pride in being able to maximize the utilization of sustainable solutions as well.

Global Axis also exports its products to many countries in the GCC, Asia, Africa, and more. Our collaborations / associations globally have enabled us to have a continued insight into Research and Development. This keeps us updated with the evolving market trends of each sector and helps overcome the obstacles, from the complexity in design to technical engineering.

# LED LIGHTING & DESIGNING

We being the ONLY COMPANY in OMAN, having our own in-house facility and team gives us the strength to design, engineer, assemble, install custom designed lights and provide solar solutions with local warranty.

## Our Area of Focus in LED Lights:

إنارة الشوارع  
Street Lights

انارة ال اي دي تحت المظلة  
Under Canopy Lights

إنارة الكشافات  
Flood Lights

إنارة ال اي دي للزينة  
Decorative Lights

الإنارة الصناعية  
Highbay Lights

إنارة ال اي دي المقاومة للانفجار  
Explosion Proof Lights

إنارة ال اي دي للملاعب  
Sports Lights

تصميم الإنارة  
Designer Lights

## OUR ELECTRONICS LAB

### ASSEMBLY

For lights above 70W our company has the capacity to assemble these lights within. This enables us in providing customized lighting solutions that may be required by some clients to suit special needs. In this lab we also design solar solutions speculated by our staff and run them through tests before delivering.

### REPAIR

We are well equipped to repair any LED light or Solar/Windmill systems that have some manufacturing fault. An option that comes in handy especially when lights/solar models are outdated and yet one would want to maintain consistency in design as it would be too expensive to replace.

### TESTING

We have the ability to cater to all the different types of LED lighting and Solar Energy solutions needed by any of our clients. We assure the product quality by conducting extensive research and development activities before introducing the products in the market followed by a feedback system that allows us to come up with improved and innovative lights.

# SOLAR AND RENEWABLES

## Our Solar Solutions Department...

Global Axis deals with high quality solar products that are manufactured in Germany, China, Taiwan and Turkey. We pertain to solutions starting from 10W right upto Megawatts. These include simple solar panels and camping kits, to larger solutions like solar farms. Our engineers are proficient in customizing solar solutions to suit your unique requirements.

Solar Installation

## Our Area of Focus in Solar Solutions:

انارة ال اي دي بالطاقة الشمسية  
LED Solar Lights

سخانات المياه  
Water Heaters

اشارات الانحراف  
Diversion Signs

بطاريات الليثيوم والجل  
Lithium and Gel Batteries

نظام شمسي متصل مع الشبكة  
On-grid Solutions

مضخات المياه  
Water Pumps

الواح شمسية  
Solar Panels

أنظمة خزانات البطاريات  
Battery Racking Systems

نظام شمسي منفصل عن الشبكة  
Off-grid Solutions

اشارات المرور  
Traffic Signs

معرجات  
Inverters

منظم الشحن  
Charge Controllers

Delivery and Packaging

Installation and Control

Solar Street Light

Off-grid Solutions

# TIRMIZIS' FARMS - AGRICULTURE

We take another step towards sustainability. Our vision is to install around 200 Greenhouses in Oman and offer training for the locals to benefit and generate a profitable income from their own agricultural lands, with the induction of modern agricultural techniques and equipment.

We aim to utilize these technologies in Tirmizis' Farms to promote organic fruits and vegetables, gain higher yields and improve produce quality.

T-Farms, Suwayq, Oman

## Our Area of Focus in Agriculture:

المنتجات العضوية  
Organic Produces

زهور  
Flowers

البيت الأخضر & الهياكل  
Greenhouses & Structures

الزراعة المائية  
Hydroponics

الزراعة المفتوحة  
Open Farming

الدورات التعليمية والتدريبية في الزراعة  
Agriculture Courses & Trainings

تأسيس أنظمة الطاقة الشمسية  
Incorporation of Solar Systems

المعدات الزراعية  
Agriculture Equipment

Net House Structure Installation

Organic Produces

# STEEL FABRICATION

## Our Area of Focus in Structural Steel:

- مستودعات / حظائر / الابنية الجاهزة
- لدينا مستودعات للأجار بمساحات مختلفة من 500 م<sup>2</sup> الى 2000 م<sup>2</sup>
- الهياكل المعدنية ، البيت الأخضر ، البيت الشبكي المحمي ، الهياكل المعدنية المزخرفة ، الكبائن ، الهيكل المعدني لمواقف السيارات

- Warehouses / Hangars / Pre-Fab Buildings
- We offer warehouses for rent in a variety of sizes, beginning from 500 m<sup>2</sup> and up to 2000 m<sup>2</sup>
- Structures - Greenhouse, Net House, Portacabin, Decorative Structure
- Car Park Structure

To cater to our clients in steel fabrication and structural design, our in house production facility boasts qualified welders, steel fabricators & fitters, machineries for shear cutting, grid-blasting, air-less spraying, spray painting, sheet bending, pipe bending, steel & aluminum welding, drilling, etc. It is due to this versatility we undertake fabrication and erection of large factories & warehouses, steel structures, gantries & cantilevers, car park canopies, steel sheds for garages, Alucobond (ACM) claddings, portacabins, petrol stations, and other various types of steel structures.
